

Prayer of the 150th

Gracious and caring God,
we are grateful to you
for the gift of our St. Mary parish community.

We REMEMBER our simple beginnings
and the sacrifices which were made
by those who founded and maintained
this house of worship
that is still here to honor you.

Today, we continue this journey
with those who went before us.
We CELEBRATE the faith-family we have become.

Formed by the Eucharist,
we reach beyond ourselves
to show your goodness to all in today's world.

With your grace,
we work to share our Catholic faith
with future generations
so all may ENVISION what your blessings
and your kingdom can be for all people.

We promise to treasure this love of Jesus
you have placed within us.

May the Holy Spirit put fire in our hearts
for you and for each other
as we journey together
to your eternal home of heaven.

Amen.
