

## **Reflection and question**

As Jesus blessed the apostles, he was lifted into heaven. The apostles watched until a cloud covered Jesus. As they stared into the sky, two angels appeared and said, "Why are you standing here looking into the sky? Jesus, who has been taken up from you into heaven will come back in the same way."

The angels message to the apostles was that Jesus can be found all around us. He is with us at all times. Think, talk and describe the places where we find Jesus in your life.
