The generous support of St. Mary members has always helped keep our parish ship on course. Unfortunately though, no matter how much we monitor the conditions, sometimes we get hit by storms that force us to make adjustments. That seems to be the case this year as our fiscal year draws to a close on June 30.

As of the end of April, our offertory revenue is down by more than \$60,000. It's important that you know this is not the result of errant spending as our expenses are within budget. Thus, we are again turning to you to ask for your help in steering the parish ship into a safe harbor.

Please consider making a small sacrifice and see what a difference your generosity can make! Every amount makes an impact.

The easiest way to give—especially if you're away—is to utilize our secure e-giving provider, Faith Direct. In just a few minutes, you can set up regular giving at the amount and frequency that works for you. Scan the code or click the [LINK](#) to get started.

St. Mary has weathered many storms over its 165-year history. Despite the rough waters, we trust that we'll come through this and find clear skies and smooth sailing ahead. We remain as dedicated as ever to serving our parishioners and our community.

Ripples of God's love, through our hearts, to all hearts.

LENTEN SPRING

CLEANING UPDATE

Thanks to all who participated in St. Mary Care for Creation's Spring Cleaning recycling project.

On World Earth Day (April 22), the hard-to-recycle items filled a pickup truck – keeping them from landfills.

Staff at the St. Joseph Food Program in Menasha gratefully accepted egg cartons along with paper and plastic grocery bags, which they intend to reuse often.

Christmas lights and rechargeable batteries were reclaimed at the Outagamie County Resource Recovery Park (at the landfill).

Books, magazines, VHS tapes, CD's and DVD's were sold to Half Price Books, and printer cartridges were dropped off at Office Depot/Office Max.

All proceeds were given to the St. Joseph Food Program.

Based on early feedback, the project was well received and may become an annual event. In the meantime, we hope many of you use the above recycling sites in our area.

Sponsored by the St. Mary Care for Creation Ministry

Dear St. Mary families,

I am grateful for the prayers, support, kind words, and cards to celebrate my 20 years as a deacon and 70th birthday. God has blessed me with the privilege to serve you, the good people of St. Mary.

In faith, hope, and love,
Deacon Gerry

*Blessings to

ST MARY PARISH - APPLETON // 5.25.2025

WITH FR. BILL SWICHTENBERG

Even though the longest day of the year, the first day of Summer, does not make its official appearance until Friday, June 20, Memorial Day jump starts our anticipation of the Summer Season. The school year is winding down. Graduations from kindergarten, eighth grade, high school, college, and graduate school are imminent, and promise so much to celebrate and so much to look forward to as life's page for the Class of 2025 turns to the next chapter. Maybe even some garden planting of set onions and radishes has started. My Dad always planted these first, right around Memorial Day.

In the life of the parish, summer time offers a welcomed slowing down of the pace of ministry - a necessary moment to catch one's breath and to allow the Lord, with the help of Mother Nature, to recharge our minds, bodies, and spirits. That, too, is the intent of

Summer time offers a necessary moment to catch one's breath and to allow the Lord, with the help of Mother Nature, to recharge our minds, bodies, and spirits.

the summer vacation, which I hope that you will be able to celebrate as a family. To get you in the mood, here's Mary Oliver's poem titled *The Summer Day*.

Who made the world?
Who made the swan, and the black bear?
Who made the grasshopper?
This grasshopper, I mean —
the one who has flung herself out of the grass,
the one who is eating sugar out of my hand,
who is moving her jaws back and forth instead of up and down —
who is gazing around with her enormous and complicated eyes.
Now she lifts her pale forearms and thoroughly washes her face.
Now she snaps her wings open, and floats away.
I don't know exactly what a prayer is.
I do know how to pay attention, how to fall down
into the grass, how to kneel down in the grass,
how to be idle and blessed, how to stroll through the fields,
which is what I have been doing all day.
Tell me, what else should I have done?
Doesn't everything die at last, and too soon?
Tell me, what is it you plan to do
with your one wild and precious life?

Don't let summer slip by without taking time to experience blessed idleness, plush green grass and golden wheat fields!

Be reminded, too, that Memorial Day is not just about sparking thoughts about summer or making plans to fire up the grill for the first barbecue of the season.

Memorial Day has its origin in families decorating with flowers the tombs of their loved ones who served so bravely as young soldiers in the Civil War. The first official celebration of Memorial Day was in 1868. Beginning in 1971, Memorial Day was inscribed on the calendar as the last Monday in the month of May.

It is sobering to call to mind the too many young people who sacrificed their lives for the cause of freedom and peace over the nearly 265 years of our nation's history. This holy band of brothers and sisters has earned our loving appreciation and unwavering respect.

We will always take time to remember.

To remember translates to *anamnesis* in the Greek. It is the kind of remembering that makes present to us now what we remember. For example, remembering Jesus' Death and Resurrection makes its effects present again now. We are freed from sin and death now as the Paschal Mystery is still effective at every Mass. The sacrifices of our deceased band of sisters and brothers still shape our hearts now. Their sacrifices still bless us now.

You are invited to begin your Memorial Day with the celebration of the Mass at the Chapel of our Saint Mary Cemetery on Prospect Avenue at 8 AM.

Here is a prayer that you can offer as we celebrate Memorial Day 2025. I am grateful to Father Austin Fleming of the Archdiocese of Boston for this prayer!

In the quiet sanctuaries of our own hearts, let each of us name and call on the one whose power over us is great and gentle, firm and forgiving, holy and healing. You who created us, who sustain us, who call us to live in peace, hear our prayer this day. Hear our prayer for all who have died, whose hearts and hopes are known to you alone. Hear our prayer for those who put the welfare of others ahead of their own and give us hearts as generous as theirs. Hear our prayer for those who gave their lives in the service of others, and accept the gift of their sacrifice. Help us to shape and make a world where we will lay down the arms of war and turn our swords into plowshares for a harvest of justice and peace. Comfort those who grieve the loss of their loved ones and let your healing be the hope in our hearts. Hear our prayer this day and in your mercy, answer us in the name of all that is holy. The peace of God be with you. Amen.

Fr. Bill +
